### **RESELLER TERMS AND CONDITIONS**

# Additional terms and conditions related to the purchase of services and products and the licensing of software from specific original equipment manufacturers, software licensors, and service providers, including Amazon Web Services (AWS), Zenoss Inc. and ExaGrid Systems, Inc., are set forth on, and referenced in, <u>Exhibit A</u> to this document.

GuideIT, LLC ("GuideIT") is an authorized reseller of equipment, systems, software (including software provided with equipment or as part of a system), and services provided by certain original equipment manufacturers, software licensors, and service providers (each, an "OEM"). GuideIT and the person or entity ("Customer") purchasing equipment, systems, and services and/or licensing software (including software provided with equipment or as part of a system), from or through GuideIT agree that (i) these Reseller terms and conditions, as set forth below, (ii) the applicable signed quotation or order form ("Order Form"), (iii) any price list or schedule, quotation, acknowledgment or invoice from GuidelT relevant to the sale and license of equipment, systems. software (including software provided with equipment or as part of a system), and services and all documents incorporated by specific reference herein or therein, (iv) any special terms related to such OEM's products referenced herein, set forth in Exhibit A, or separately agreed to by Customer and an OEM, and (v) any end user license agreement or similar license agreement ("End User License Agreement"), whether delivered by the OEM as a click-wrap or click-andaccept license or otherwise (items (i) through (v) are collectively referred to as these "Terms and Conditions"), constitute the complete and exclusive statement of the terms of the agreement governing the sale of OEM provided equipment, systems, software (including software provided with equipment or as part of a system), and services to Customer.

- 1. **Orders.** For each purchase transaction by Customer, GuideIT will provide Customer with an Order Form, which shall be effective for 30 days, specifying:
  - a. computer or other hardware ("Equipment"), computer software, including software provided with Equipment or as part of a System ("Software"), and/or one or more combinations of interoperable Equipment and Software ("System(s)") sold, licensed, or sublicensed by any OEM; and
  - b. installation, training, maintenance, support, and other services ("Services") for or relating to Equipment, Software, and/or Systems, which an OEM will perform in accordance with its then current published services offerings or as specifically provided in an Order Form.

The Order Form will also specify the quantity, price, delivery method (if applicable), and shipment location of each item of Equipment, Software, System, and any applicable Services. Orders are non-cancellable and Equipment, Software, Systems and Services are non-returnable unless, and then only to the extent, otherwise provided by GuideIT's supplier or the OEM. In any case in which cancellations or returns are permitted, Customer must take all needed actions timely to reasonably enable GuideIT to cancel the order with its supplier or the OEM or to satisfy the terms for return to the supplier or the OEM. In the case of any such cancellation or return, GuideIT will be obligated to refund to Customer a maximum of the amount of the associated refund received by GuideIT from its supplier or the OEM. Customer shall sign and return the Order Form to GuideIT, which shall not be binding until it has been accepted by GuideIT. Customer understands and agrees that signed Order Forms for Equipment, Software, Systems, and/or Services cannot alter the terms and conditions pursuant to which OEM is providing the Equipment, Software, Systems, and/or Services.

2. **Payment Terms.** Promptly upon acceptance of an Order Form, unless otherwise explicitly provided in the Order Form, Customer will pay GuideIT, in United States Dollars, the full

purchase price for all Equipment, Software, Systems and Services specified on the Order Form plus any handling, shipping and other charges by GuidelT's supplier and, promptly following receipt of payment from Customer, GuideIT will order the Equipment, Software, Systems and/or Services from OEM. In the event that payment is not received by GuideIT within 10 days of acceptance of an Order Form and at least one full business day before expiration of GuideIT's quote from its supplier or as otherwise explicitly provided in the Order Form, GuideIT will have the right to cancel the applicable order. In the event that OEM cancels or rejects GuidelT's order of the Equipment, Software, Systems, and/or Services necessary to fulfill an accepted Order Form, GuideIT will promptly refund to Customer all amounts paid by Customer to GuideIT with respect to such Equipment, Software, Systems and/or Services and the Order Form will be deemed to be cancelled and neither party will have any further obligations with respect to such Order Form. Customer will pay all sums equal to taxes (including, without limitation, sales, withholding, value-added, and similar taxes) and any duties paid or payable, however designated, levied or based on amounts payable to GuideIT under these Terms and Conditions, but exclusive of United States federal, state, and local taxes based on GuideIT's net income.

- 3. **OEM Proprietary Rights.** Customer acknowledges that the Software and all trade secret, copyright, patent, trademark, trade name, and other intellectual and proprietary rights in the Equipment, Software, and Systems, are and at all times shall remain the valuable property of OEM and its licensors, or their respective successors or assigns.
- 4. Software; End User License Agreement; Restrictions. In all cases, Customer will acquire only a license to any Software provided by GuideIT under these Terms and Conditions (which Software shall be provided in object code format only). Any use of the term "sell" and its variations shall mean throughout these Terms and Conditions, as applicable to the Software, a license and not a sale. Customer shall only have the rights with respect to the Software expressly set forth in the End User License Agreement, which will be (i) electronically provided to Customer as part of the activation process, (ii) if no End User License Agreement is provided as part of the activation process, as provided in the applicable End User License Agreement specified in Exhibit A or the applicable Order Form, or (iii) otherwise provided by GuideIT or OEM. Following Customer's acceptance of the End User License Agreement, OEM will provide Customer with the ability to access the OEM Software it has licensed. Except as expressly provided in the End User License Agreement, all other rights to Software are expressly reserved to the applicable OEM and its licensors. Customer will not itself, or through any affiliate, agent, or third party: (i) except as expressly permitted under the applicable End User License Agreement, use or permit others to use the Software; (ii) disassemble, reverse engineer, or decompile the Software or otherwise attempt to derive source code from it, except to the extent applicable laws specifically prohibit such restrictions; or (iii) modify, adapt, translate, or create derivative works based upon the Software.

#### 5. Services.

- a. <u>OEM Services</u>. As a condition to receiving or purchasing any Services from an OEM related to the purchase or delivery of Equipment, Software, and/or Systems, Customer will agree to OEM's standard terms and conditions with respect to the delivery of the Services or will enter into a written agreement with OEM pursuant to which it will receive the Services.

- 6. Terms and Conditions; Terms and Conditions Included on Purchase Orders Not Applicable. The Parties agree that any purchase order submitted by Customer (each a "Purchase Order") will be solely for Customer's administrative convenience and that all terms and conditions applicable to the transaction will be governed solely by these Terms and Conditions and the Order Form. Any additional or differing terms and conditions included on any Purchase Order are hereby rejected and will have no application to the purchase of the Equipment, Software, Systems, and Services.
- 7. Delivery and Shipment. Promptly following its receipt of scheduled shipment date(s), GuidelT will notify Customer of such scheduled shipments. Delivery will be f.o.b. point of shipment and will occur when the Equipment and Systems are ready for pickup by the carrier. Risk of loss will pass to Customer when GuidelT's supplier tenders Equipment or Systems to a transportation provider and Customer will be responsible for insuring any loss of such Equipment and Systems. Customer will immediately notify GuidelT and work with GuidelT with respect to filing any claims with the applicable transportation provider within three days of receipt. In the event that an Order Form specifies that an OEM, GuidelT, or other contractors or designees will select a carrier and arrange for in-transit insurance, all transportation and insurance charges shall be paid to GuidelT by Customer upon invoice. If deliveries are authorized in installments, each shipment shall be paid for when due without regard to other scheduled deliveries. By selecting a carrier and arranging for insurance on Customer's behalf, none of OEM, GuidelT, nor their contractors or designees assumes any liability for the shipment and the carrier will not be considered their agent.
- 8. Manufacturer's Warranties Only; No GuidelT Warranty or Liability. OEM provides a warranty, which is included in the End User License Agreement, documentation for the Equipment or System, or will otherwise be provided to Customer by OEM, and Customer agrees to rely exclusively on such warranty and, as applicable, maintenance Services purchased by Customer. GUIDEIT EXPRESSLY DISCLAIMS ALL EXPRESS AND IMPLIED WARRANTIES RELATING TO THE EQUIPMENT, SOFTWARE, SYSTEMS, AND SERVICES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE (EVEN IF GUIDEIT IS INFORMED OF SUCH PURPOSE), NON-INFRINGEMENT, OR SUITABILITY, TO THE EXTENT ALLOWED BY APPLICABLE LAW. EXCEPT THE REFUND OBLIGATION EXPRESSLY PROVIDED IN SECTION 2, GUIDEIT SHALL HAVE NO LIABILITY WITH RESPECT TO THE SYSTEMS OR SERVICES.

Customer agrees to comply with all applicable export and re-export control laws and regulations, including the Export Administration Regulations maintained by the United States Department of Commerce. Specifically, Customer agrees that it will not, directly or indirectly, sell, export, re-export, transfer, divert, or otherwise dispose of any software, documentation, or other technology (including products derived from or based on such software, documentation, or other technology) received from OEM pursuant to an order placed under these Terms and Conditions to any country (or national thereof) subject to antiterrorism controls or U.S. embargo, or to any other person, entity, or destination prohibited by the laws or regulations of the United States, without obtaining prior authorization from the competent government authorities as required by those laws and regulations. Customer

agrees to indemnify, to the fullest extent permitted by law, GuideIT from and against any fines or penalties that may arise as a result of Customer's breach of this provision.

- 11. **Termination; Suspension**. Upon any material breach or default of these Terms and Conditions by Customer or default in payment, GuideIT shall have the right to terminate or suspend performance under any outstanding Order Form(s). In addition, OEMs will have the right to terminate any license as provided under the terms of the applicable End User License Agreement.

Recipient's obligation of confidentiality shall survive these Terms and Conditions for a period of five years from the date of its termination, and thereafter shall terminate and be of no further force or effect.
- d. *Remedies*. Each party acknowledges that any breach of any of its obligations with respect to the other party's confidential information hereunder may cause or threaten irreparable harm to such party.
